Welcome to SASE Virtual National Conference 2020 and Thank You for the continued support of Society of Asian Scientists and Engineers.

SASE, Socio and vFairs have teamed up to provide you with the opportunity to meet and network with professionals even in this COVID time. Please take the time to get familiar with the two virtual NC platforms. Make sure you brush off the resumes and upload them once you have created your accounts. Don’t forget to go through all the Frequently Asked Question sections. Your answer might be there, and if not, please visit https://conference.saseconnect.org/ for more information.

How to use Socio: Conference, Workshop and Networking Platform

Socio will be the primary hub for all the conference workshops and networking events. It is available to download on all operating systems.
This is the homescreen you will see.
(Web-Based and Android App shown)
Here are some helpful features on the Socio App:

**Agenda**

1. **Agenda**: This is where you find all conference events and you will be able to sign up by clicking on the add sign. In My Agenda tab, you can access all the events that you signed up for. (Note: the example pictures shown above are not the schedule of SASE NC2020)
2. **Sponsors**: Here is where you see all the companies that are sponsoring the SASE NC 2020. When you click on a specific company, it will take you to a page where you can learn more about the company, the event they are hosting, and even request a meeting with one of their representatives.

<table>

</tbody>
</table>

**Twitch**

**OVERVIEW**

Don’t just watch, **join in**

Welcome to Twitch. We are a global community of millions who come together each day to create their own entertainment: unique, live, unpredictable, never-to-be repeated experiences created by the magical interactions of the many. With chat built into every stream, you don’t just watch on Twitch, you’re a part of the show.

Launched in 2011, Twitch is a one-of-a-kind collision of subcultures, games, communities, and streamers co-creating content around everything they’re into.
3. With the Networking tool you will be able to reach out to fellow conference attendees, speakers, and company representatives!
Other Features of Socio

Shake to Connect - Shake your phone and you will connect to a random attendees currently on the app.

Virtual Wall - The socio wall is like your typical social media wall, be sure to check out what is active at the moment! We are using this to highlight companies, events and people.
All the events in the Socio hub are linked to Zoom meetings. You will need to install Zoom and register an account with the same email that you used to register for NC2020! As an attendee, you will just need to click on the proper zoom event link, and you will be able to join the event.

You will be muted when you enter the zoom event and when the host and speakers are speaking, be sure to unmute yourself when you want to ask a question.

Link is provided here: https://zoom.us/
Download latest version: https://zoom.us/download

**Zoom Usage Tips**

- Turn off your cam if you are experiencing laggy videos or sound.
- Make sure you exit from the previous event before joining another event. This may resolve computer hardware detection issues.
- Headsets are recommended over computer speakers as this might cause echo when speaking.
**How to use Sli.Do**

Sli.Do is a interactive polling and Q&A system added to the Conference Platform under “Live Polls and Q&A”

Once you click on that on the conference app, you will be asked to choose the room/event that you are in.

<table>
<thead>
<tr>
<th>Select room</th>
</tr>
</thead>
<tbody>
<tr>
<td>☢️ 9/1 7PM SASEhack - Pre-Event</td>
</tr>
<tr>
<td>⚡️ 9/3 4PM SASEhack Dave Chen</td>
</tr>
<tr>
<td>☣️ 10/9 1PM Workshop A</td>
</tr>
<tr>
<td>☀️ 10/9 4PM Workshop B</td>
</tr>
</tbody>
</table>

There are 2 tab options. Q&A or Polls. The Q&A is for you to ask the speaker questions and the Polls are questions that the speakers want you to answer.
Select the drop-down menu above “Q&A” and “Polls” to see a list of available rooms if you want to leave the current room.

*****Make sure you are in the correct room*****

In the “Polls” tab you can answer currently active polls from the presenter and see responses from the rest of the audience.

In the “Q&A” tab you can ask questions to the presenter. Type your questions and hit the “Ask” button and it will be sent to the handler. Please be patient as there might be a lot of questions and your question might not be answered immediately.
Frequently Asked Questions

What Virtual Platforms will SASE National Conference used?

The workshop content will be on Socio. The Career Fair will be on vFairs.

Is a webcam required?

No, it is not required in order to participate. However, some sponsors may have the ability to request a video chat, and you will need a webcam either on your desktop or your phone for that option.

What type of equipment do I need to attend the conference?

You can use your smartphone, tablet, laptop or desktop for the event. We recommend using a device with a camera just in case you get a video chat request from our sponsors or recruiters.

A good headset (headphone and microphone) in case you would like to speak during an event or video call with a company representative.

We strongly recommend a stable internet connection since many events will have video streaming.

How do I log in on the day of the event?

Your login details will be emailed to you ahead of the event. You can use these details to access the online event.

Will I be able to build my own profile once I have signed up?

Yes, once your account has been activated. You can upload resumes, link your social media accounts, and even upload a picture of yourself so the company representatives can see who you are.

Will I be able to save sponsor information?

Yes. Like any physical event, we will have a swag bag for you! You can add all of the documents available to the online swag bag in your account and then email them to yourself or share items with friends and family by simply entering their email.
Can I invite my friends to participate?

If you have any interested peers, you can direct them to register using the main registration link.

How can I ask sponsors questions?

At each exhibition virtual “booth,” you can Live Chat with a representative from that company.

Who do I contact for my company to become a sponsor?

Please forward all interest to Clarence Low, clarence.low@saseconnect.org

Who do I contact to troubleshoot during the event?

There will be a help desk function on both virtual platforms for general and technical support.

You can also contact platform technical support if help desk cant solve your problem

- Socio: support@socio.events
- vFairs: tech@vfairs.com
